Triumph & Glory Await Brave Warriors Who 'Die For Valhalla' In Old-Skool 2D Side-Scrolling Beat-Em-Up

Save The Viking World From Extinction In Action-Packed Arcade Adventure

San Francisco, CA, February 3rd 2017: Indie game developer and soon-to-be publisher [Monster Couch](#) is proud to announce their debut title **Die For Valhalla!** is off to a great start on [KickStarter™](#) where the team is looking for aid to complete the development of their Viking-inspired beat-em-up. **Die For Valhalla!** is penned for official release in the spring of 2017 on PC, Xbox One, PS4, Mac and Linux - and features a ghostly witch sent to help Vikings save their world. Things are not what they seem, and you must enter a battle for death in a stunningly beautiful rogue-like environment.

Check out the games [trailer](#).

Die For Valhalla! Challenges you to play a Valkyrie on a mission to turn Vikings into heroes through battles and heroic deeds like rescuing other warriors. Your efforts are measured through the amount of Glory they gain and for that, you are awarded with new abilities and bonuses. As you play, you will discover tales about Vikings and their Myths. You must seek the truth about yourself and the nature of the world. Things are, after all, not what they seem in mysterious Valhalla ... The game includes seven types of Vikings to possess and summon, each with its own unique abilities and combos. With the right skills, you can even possess things and monsters! 4-player co-op (single-screen) action is available in the cool story- and death-match modes.
