

## **Five Popular 'Hidden Object' Games Full Of Mystery And Suspense Has Just Been Released By GameTop**

**Best-Selling PC Casual Games Now Available As Free Downloads!**

The premiere free computer games company **Gametop** has released a selection of high-quality Hidden Object games just in time for summer. The impressive catalog of free downloadable games has just got better with the addition of **Dark Chronicles: The Soul Reaver**, **Voodoo Chronicles: The First Sign**, **Apothecarium: The Renaissance of Evil**, **The Curse of Silent Marshes** and **Taken Souls: Blood Ritual**. All titles have just been added to the popular Hidden Object games catalogue.

**Apothecarium: The Renaissance of Evil** takes you to Italy during the Renaissance time. Playing as the young aristocrat, Adriano, your task is to solve the mystery of an ancient evil, find a cure against Black Death(!) and save innocent lives. The game boasts 40 Locations, more than 8 hours of gameplay, and special chamber orchestra live records.

**Taken Souls: Blood Ritual** combines incredible graphics, a rich storyline and countless gameplay features. Playing as the young detective James Voodoo, you must investigate a series of mysterious ritual murders in the foggy streets of London. The game features more than 10 hours of gameplay, 50 suspenseful Locations and interactive game-scenes.

Says Sergei Eliseev, Gametop CEO & Founder: *"2017 is full of exciting challenges for our company. We have chosen a number of high-quality titles that are guaranteed to be enjoyed by millions of casual gamers around the world. While we release all types of games, we decided to begin by extending our popular Hidden Object games catalog"*
