STEAM™ Exclusive ‘Star Fleet Armada: Rogue Adventures’ Challenges You To Explore The Galaxy Using A Fleet Of Ships

The Elusive Rainbow Planet Is Out There, Somewhere!

San Francisco, CA, June 21st 2017: Indie developer **Blue Blaze Gaming** is proud to announce the official release of their STEAM™ exclusive **Star Fleet Armada: Rogue Adventures (SFARA)**, a comprehensive space- and planetary- exploration game with rogue elements and plenty of strategy.

Game Trailer: <https://www.youtube.com/watch?v=763kpEr0oOA>

SFARA challenges you to captain a small fleet of customized ships as you explore alien- and otherwise unknown star-systems. Meet new races on your journey and discover and investigate anomalies, asteroid fields, nebulas, suns, comets and much more. The elusive Rainbow planet is teeming with mass amounts of resources and with time, skills and a little bit of luck, it might be within your grasp.

SFARA is easy to learn yet hard to master. Begin your adventure by passing through a small sector of the galaxy to hunt down the enemy race, but look out for space pirates and pirate outpost. Worm holes become star lanes that let you travel greater distances once you have explored them using research probes. Most encounters turn into mini arcade game adding a new level of depth to the game.

SFARA lends inspiration from classics such as Star Control 2® and Faster Than Light®. Rich on content and features, it combines a plethora of proven genres. Help damaged or distressed ships, gather resources, orbit planets and explore them using your planet lander. Find metal, gas and fuel resources as well as animal life forms. Discover shuttle craft crash sites, ancient ruins and military burial grounds with rare items to discover.
