

## **'Silver Tale' Challenges You To Explore Strange Caverns On A Remarkable Journey For Rare Herbs To Save Your Kingdom!**

Full Version Of Adventurous Match-3 Puzzler Available For Free

San Francisco, CA, September 12<sup>th</sup> 2017: The premiere free computer games company **Gametop** is proud to announce the release of **Silver Tale** on **PC**, a compelling Match-3 adventure puzzler, in which you must solve quests, build upgrades, collect rare artifacts, craft new items and solve mind-bending challenges.

Game Trailer: <https://www.youtube.com/watch?v=XvR6ts-nBjl>

The King is dying! His sickness is the rarest in all the land, and every healer in the kingdom is yet unable to remedy it. It seems the only cure is a scarce plant, *Silver Holly*, found only at the bottom of the remotest caves. The Royal physician will need a bushel of them to make an elixir strong enough to heal the King. You must travel the kingdom and descend into dangerous caverns in search of the rare herbs.

**Silver Tale** challenges you to solve unique quests and to build dozens of upgrades across the kingdom; explore huge levels as you play, and craft custom items on your journey to rescue the kingdom.
